Flanagan's lingerie special!

USUALLY IT

Helen Flanagan does all

GTA V first look!

Nuts goes eyes-on with the year's hottest game!

TRULY, THERE are few things more frustrating than sitting on a comfy sofa watching someone else play *GTA V*. But rules is rules for eyes-on events, and gawping at *GTA* for an hour or so is as good a way to pass an afternoon as we can think of. So here's the evidence of our eyes for this incredible game, out 17 September.

BIGGEST GTA EVER!

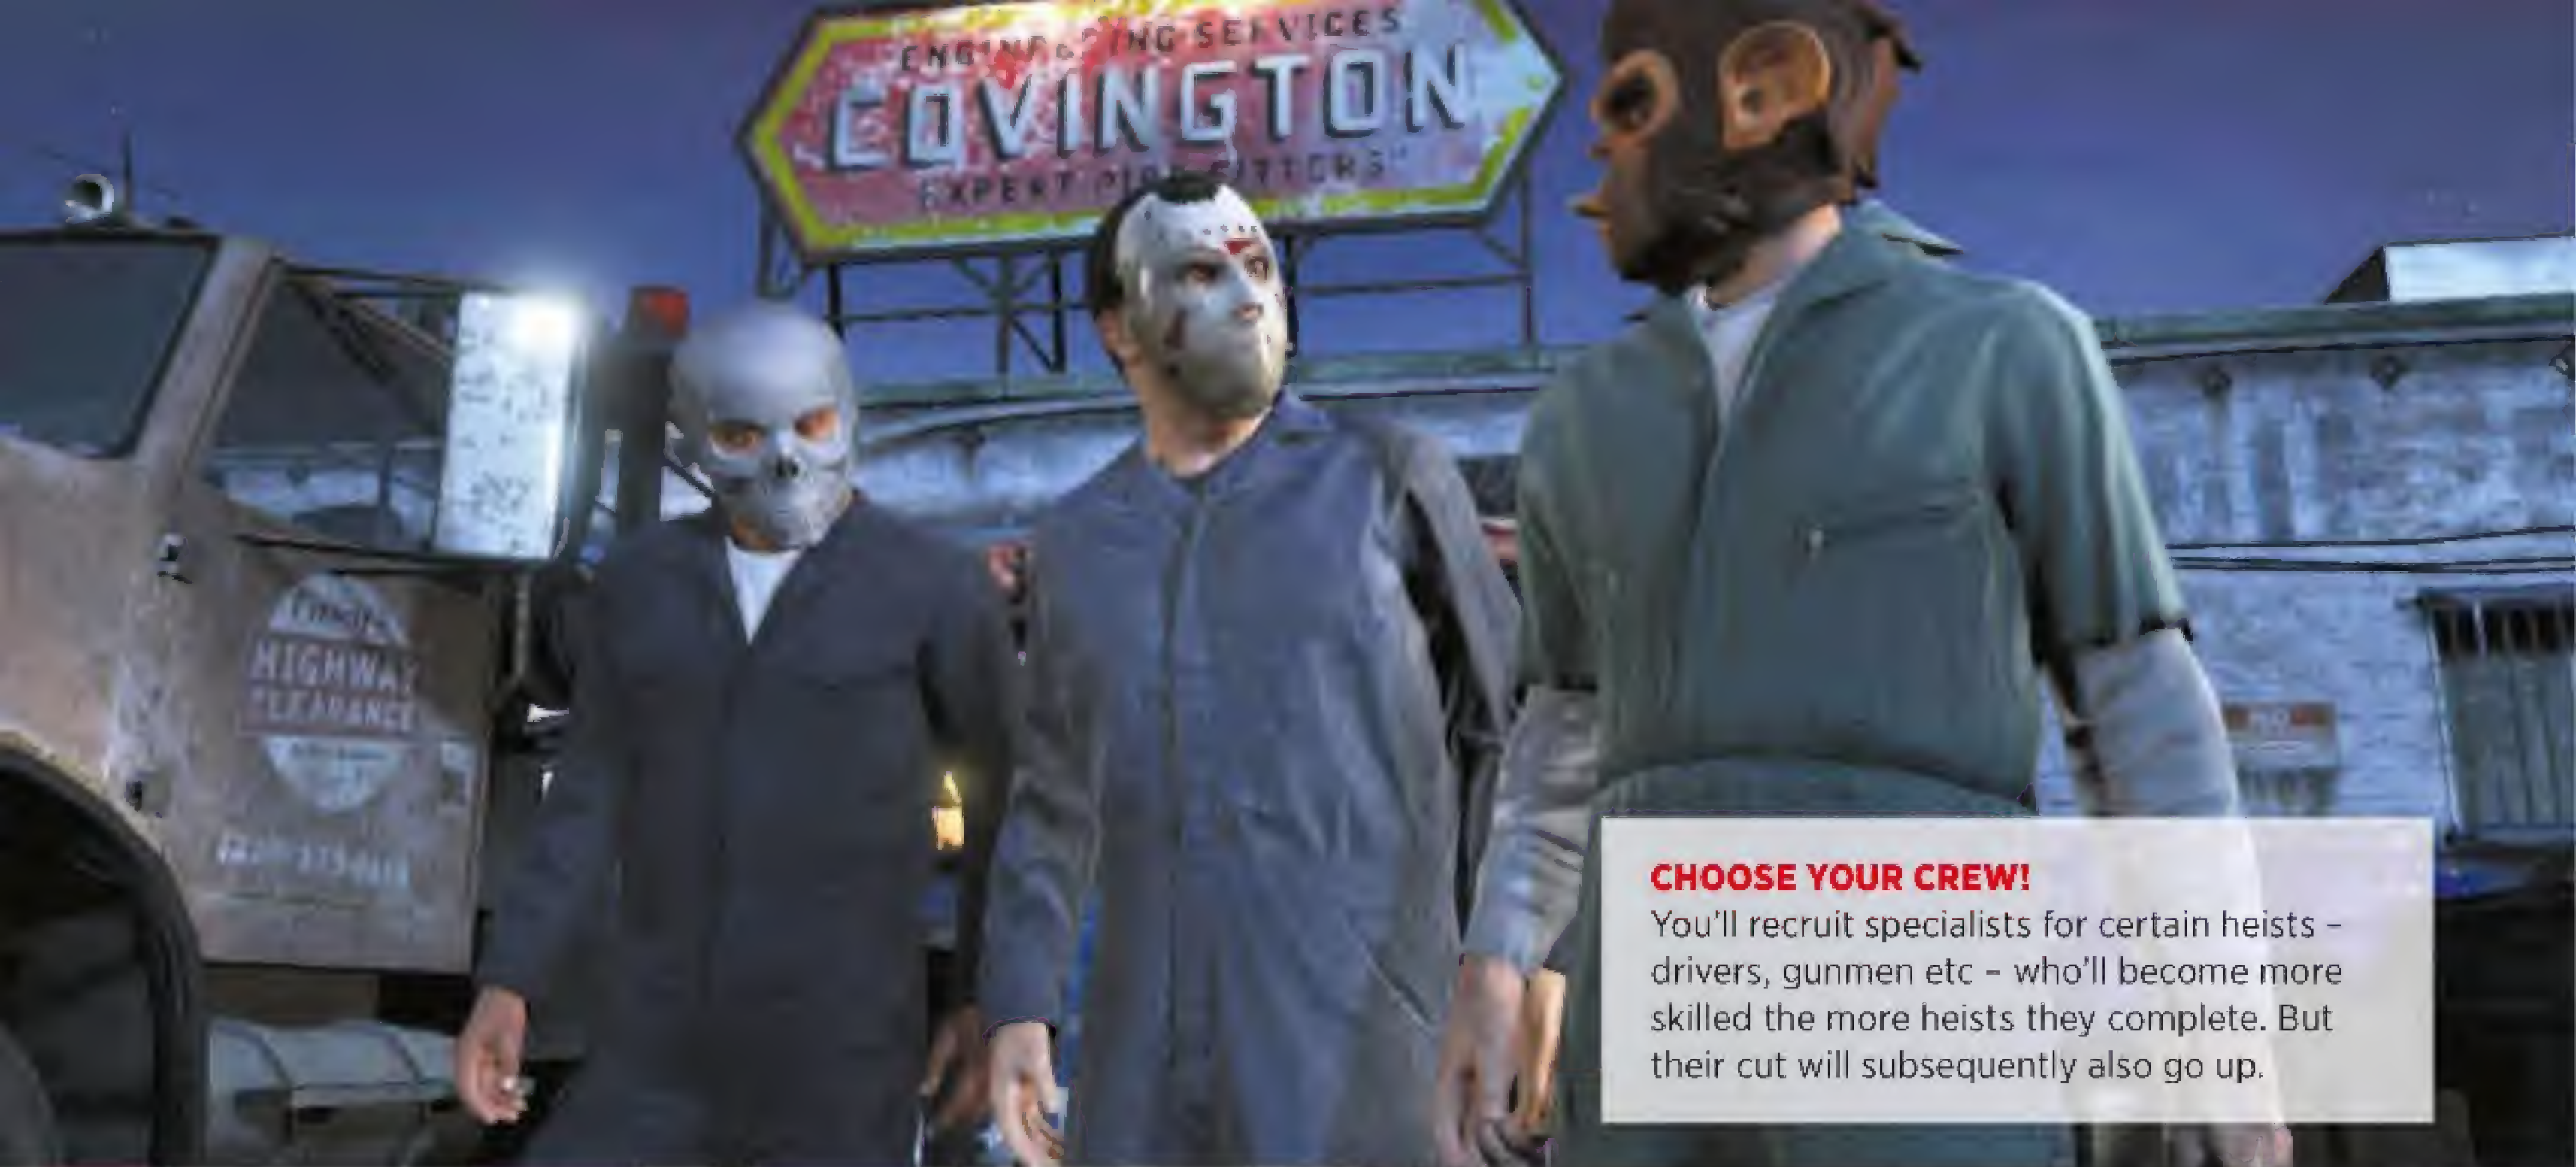

The playable area is bigger than *GTA San Andreas*, *IV* and *Red Dead Redemption* combined, and it has the largest selection of vehicles and weapons of any *GTA* game.

BLITZ PLAY MISSIONS!

These are mini heists. We saw an armoured car robbery with Franklin driving a rubbish truck, Trevor supplying cover and Michael taking point. You can pick any man at will.

A PARTICULAR SET OF SKILLS!

Each character has a special skill – marksman Michael uses bullet time, Trevor inflicts more damage and receives less, and wheelman Franklin slows time on tricky corners.

CHOOSE YOUR CREW!

You'll recruit specialists for certain heists – drivers, gunmen etc – who'll become more skilled the more heists they complete. But their cut will subsequently also go up.

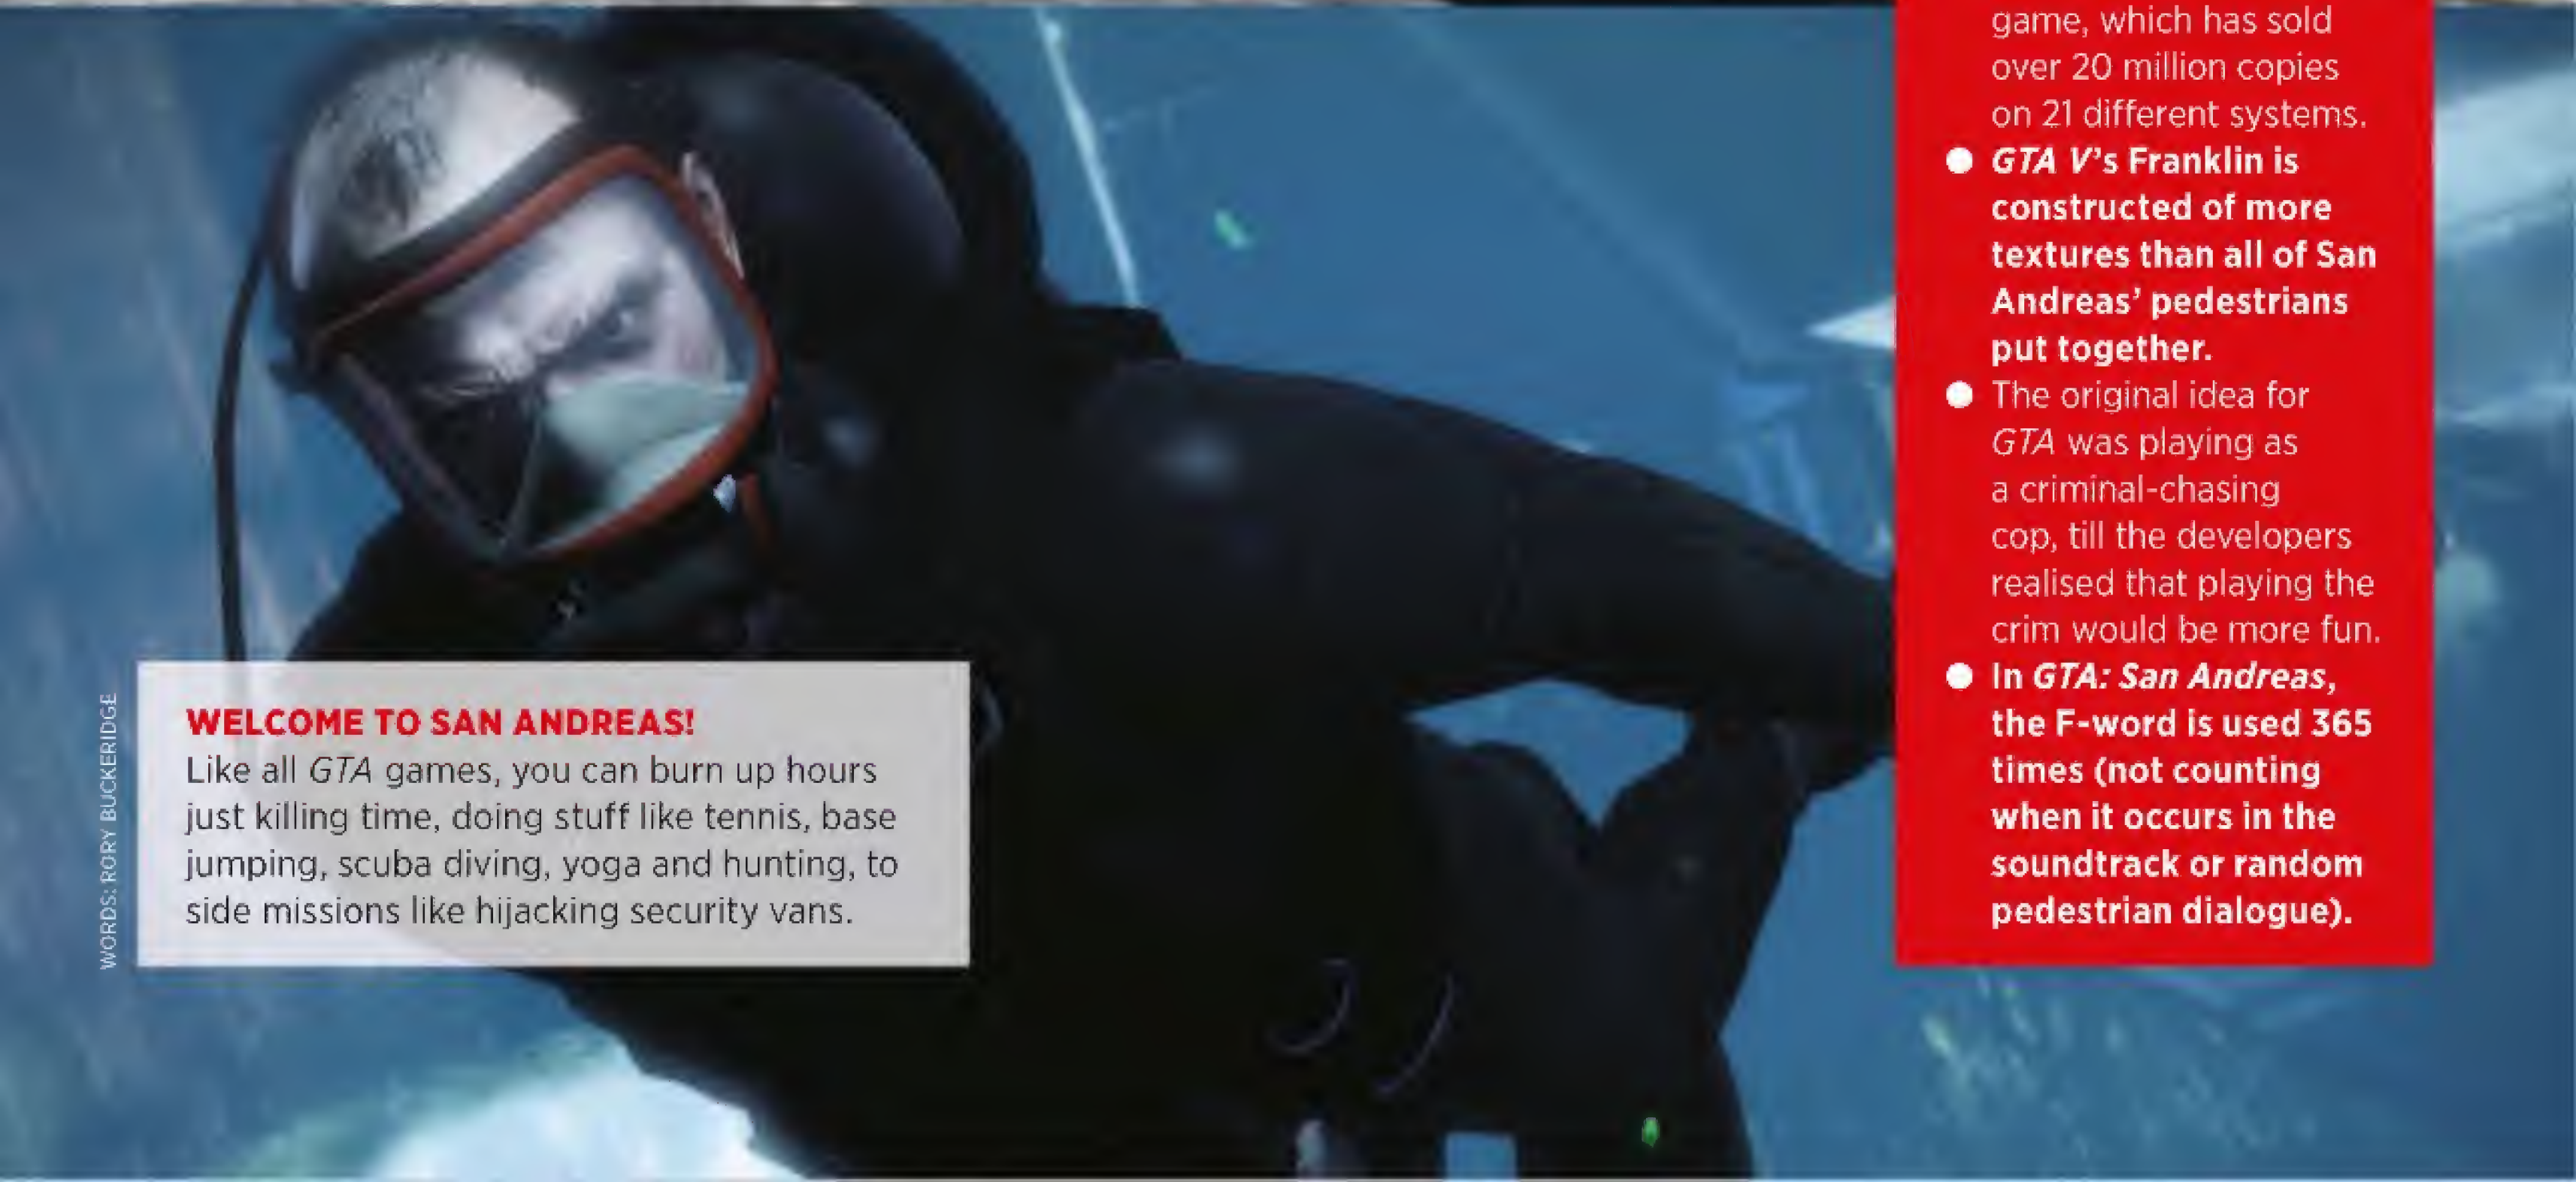

PICK YOUR ANTI-HERO!

You use the D-pad to pick your character. A pudgy thump and the camera shoots into the sky, whooshes across country and lands on your man, who was going about his business.

GTA facts!

- Historically, *Grand Theft Auto* has sold over 125 million units. *GTA IV* alone has sold over 25 million.
- Developer Rockstar North used to be called DMA Design and made the original *Lemmings* game, which has sold over 20 million copies on 21 different systems.
- *GTA V*'s Franklin is constructed of more textures than all of San Andreas' pedestrians put together.
- The original idea for *GTA* was playing as a criminal-chasing cop, till the developers realised that playing the crim would be more fun.
- In *GTA: San Andreas*, the F-word is used 365 times (not counting when it occurs in the soundtrack or random pedestrian dialogue).

WELCOME TO SAN ANDREAS!

Like all *GTA* games, you can burn up hours just killing time, doing stuff like tennis, base jumping, scuba diving, yoga and hunting, to side missions like hijacking security vans.

On lesbians!

"Are there any lesbians in? I shan't judge. I've seen a lot of your films, I'm a big fan. Can I ask you a question I've asked every lesbian I've met? What would it take to get you back on solids?"

On 2013!

"I didn't think we could beat 2012. We had the Jubilee, we had the Olympics. It was tremendous, wasn't it? And then Thatcher dies and tops it all."

"On the day she died, they cancelled disability living allowance – forever. It's what she would have wanted. That, or she did it and went, 'My work here now is done.'"

On hotels!

"I checked into a hotel recently and the guy behind reception recognised me. 'Mr Carr, we've put you in a disabled room.' I said, 'What's the difference between a normal room and a disabled room?' He said, 'The disabled room's got a walk-in shower.' That's taking the p*ss, isn't it?"

On obesity!

"Of course, not all fat people are jolly. Some of them are women. I shouldn't be mean. Fat girls have feelings. Mainly, they're hungry. It's only a joke. It's just some words. I told it the other night and a girl walked out. Well, waddled out. I presume offended. Possibly just peckish."

On Max Clifford!

"Max Clifford has been accused of all kinds of things. If he's so good at PR, why does everyone think he's a c**t?"

On phones!

"Please turn your mobile phones off as a courtesy to other people in the room. I say, 'mobile phones'. What I mean there is 'phones'. No one has brought a landline, have they?"

On fire escapes!

"I was here the other week standing under the fire escape watching a band. Pint on, with a mate, lovely relaxing night off. A lady from the venue came up went, 'Excuse me. You're going to have to move because if there's a fire, you're blocking the exit.' I said, 'I tell you what, love. If there's a fire, I'll move.' What did she think I was going to do in the event of a fire? Just stand there going, 'Nobody move. Why's everything gone orangey and hot? I want answers!'"

On *Fifty Shades Of Grey*!

"Ladies, have you read *Fifty Shades Of Grey*? I would describe it as the ultimate flick book. It was the best-selling book of last year and I can prove it. 2012 – wettest summer on record."

"I think it's quite an interesting book because it really flags up how differently men and women consume pornography. That book is lying around in a lot of our houses and no man has picked it up and thought, 'I'll have a little flick through, this is porn.' We're not interested. We're very happy with the service broadband provides."

On the Olympics!

"Did you see the Olympics? It was inspirational. It was fun. For me, it was educational. I didn't realise until last summer that women's football is in the Olympics. Not the Paralympics."

"We will never forget all the hard work those volunteers did, not with the way they keep fking going on about it."**

"I'm slightly over the athletes talking about the sacrifices they had to make. What do you want, a fking medal?"**

On teachers!

"You work bloody hard, don't you, teachers? Half a year, five hours a day."

"I'm not knocking it, I could never do what you do. Not because it's difficult, I'd never pass the CRB check."

"I've actually got a bit of a soft spot for teachers. I used to go out with a teacher and she was lovely. But if I ever wanted sex, she always insisted I put my hand up first."

On himself!

"I've had a brilliant couple of years, if there's no such thing as bad publicity."

"You know you're in trouble when the Prime Minister of the country that you live in breaks off from the G20 Summit. He's in a meeting with Obama, the most important man in the world. He must have gone, 'Excuse me, Obama. I need a minute here. There's something very important I need to deal with, right now. Jimmy Carr's a dck.'"**

"At least I wasn't the worst Jimmy last year. Get in."

On Countdown!

"I did *Countdown* recently. A lot of guys ask me, 'How fit is that Rachel Riley?' Let me put it this way. I would crawl over broken glass to suck the ck of the last man who f**ked her."**

"I would like to fk her brains out. It would take ages!"**

On comedy groupies!

"Are there any comedy groupies in here tonight? Any gag-hags, any chuckle-fkers? If any ladies come up after the show after sex, I'm going to have to disappoint you. We can have sex, but it will be quite disappointing. I won't lie to you. It'll be like throwing a sausage up an alley way."**

On marriage!

"My first wife was from Thailand. She died of testicular cancer."

On drinking!

"We've all done things we regret when we're drunk. Some of you may be with one of those this evening."

"We've all done things we regret when we're legless. Oscar Pistorius springs to mind."

"That man's a fking disgrace, isn't he? The only good thing about him is now finally Lance Armstrong can open a paper and go, 'I'm not that bad a bloke.'"**

"Lance Armstrong the cyclist of course admitted this year to taking drugs. And pedalling. Come on! It's a pedalling joke, everyone."

On suicide!

"If you suffocate in a Bag For Life, you'd be fking annoyed, wouldn't you?"**

Apprentice girl's secret snaps!

It's wannabe entrepreneur Luisa Zissman, out of her business suit!

➔ **WE'RE FAIRLY** sure this isn't behind-the-scenes snappage of Luisa Zissman at *The Apprentice* auditions – there's no Nick Hewer squinting and taking notes for a start. But, either way, we reckon cupcake shop owner Luisa, 25, from St Albans, is displaying flexibility, adaptability and a willingness to try new things. All key skills for budding entrepreneurs. Lord Sugar will be impressed!

A quick word with *The Apprentice* mob!

Karren, Nick and Lord Al on bickering women, *The Voice* and being chatted up!

➔ Hello! Laura Hogg from last year posed for *Nuts*, and Luisa Zissman from this series is in this week's issue (see page 10). Are you upping the glamour of *The Apprentice* with *Nuts* in mind?

Lord Sugar: Um, no, not really. All the candidates are selected through exactly the same process. I don't think we consciously went out of our way as far as aesthetics were concerned.

What's more important in the boardroom, brains or looks?

Lord Sugar: It's a mixture of everything – personality, brains, determination. You have to have something about you. But you don't have to be an academic, you can be streetwise.

Do you ever regret choosing argumentative candidates who make better telly?

Lord Sugar: No. We've been doing it for nine years so we know who to look for. We know there needs to be

a balance of credibility and entertainment. You wouldn't ask that if you turned up at some of the auditions and saw some of the people who apply with gold-painted mohican hair, tattoos and bones through their nose.

Doesn't all the boardroom bickering get on your rag? And why is it always the women?

Lord Sugar: I'll leave Karren to deal with that.

Karren: I don't think anyone understands how intense it is in that boardroom. When they say they're fighting for their lives, they literally are. Each one wants to get the quarter of a million pound investment.

Lord Sugar: I don't think it's just the women. The men argue too.

Nick and Karren, do you ever lose your rag when you're out with the teams?

Nick: No. Lord Sugar doesn't see anything from the tasks apart from what we tell him. So we're too busy scribbling to lose our tempers!

Lord Sugar, you claim to trust your gut instinct. How quickly can you spot your winner?

Lord Sugar: The three of us do tend to say, "Wow, he's good, she's good," at the early stages but then we change our minds. Somebody who looks brilliant might mess up and somebody else comes up the ranks. First impressions are important but we've been fooled a few times.

If you three were candidates, who would win?

Lord Sugar: No contest.

Karren: I did do it. [*Comic Relief Does The Apprentice* in 2007]. I ran the girls' team and I won.

Lord Sugar: If we do a tenth series, I'm going to put on a mask and go the other side, just for a little while.

Will you make it past ten series?

Lord Sugar: *The Apprentice* has longevity because every year you get a different bunch of people and a different bunch of tasks. It's all down to the characters and the candidates. We'll make it as long as the BBC continue to commission it.

Have you ever regretted firing someone who's gone on to make it big in business?

Lord Sugar: I'm not perfect and there are occasions I may have got it wrong. On *You're Fired!* they put up those cards for the public to vote on what a bleeding idiot Lord Sugar is. Last year there was one that I lost about nine-nil. So we're not doing the cards this year! But out of the 120 people who've been fired so far, I'm yet to see someone who's become the next Branson or the next Zuckerberg.

Someone in the first episode refers to you as "man". Aren't you supposed to be a Lord?

Lord Sugar: I've been called worse on the terraces at Tottenham!

Would the boardroom be more fun if you had those swivelling chairs from *The Voice*?

Lord Sugar: You need to speak to The BBC about that, come up with a new format where you listen to someone's business plan without looking at them.

INTERVIEW: RICH PELLE; PHOTOS: CAMERA PRESS, ALAMY, REX FEATURES

Would that work?

Lord Sugar: [After a long, uncomfortable silence]. No.

Thanks, everyone! Finally, have any of the contestants ever tried chatting you up to win?

Lord Sugar: Me? They would need a pair of glasses first!

Karren: Nick, I'm sure.

Nick: We're very disciplined.

Karren: I do remember one of the kids came up on *The Junior Apprentice* and went, "Do you know anyone famous?" I said, "Not really." He said, "Have you met Lady Gaga?" I said, "Who's Lady Gaga?" So, no, 'fraid not.

● *The Apprentice* starts at 9pm on BBC1/HD tonight (Tuesday) and continues every week on Wednesdays.

"So, you think you're getting in this lift, do you?"

Bloke rows with spear gun!

Harpoon catches clumsy Brazilian in the face!

➔ **IT'S MAYBE** unsurprising that Brazilian chap Bruno Coutinho managed to not skewer his brain when he speared himself through the face while cleaning his harpoon gun (really. Yes, really) because

frankly, it must be rattling around in there like a pea in a referee's whistle.

Bruno, sadly, lost an eye in the accident, but gained some vital health and safety training. And learned that blinking doesn't stop 6in metal missiles!

"On the plus side, your fillings are fine!"

Aircraft-inspired supercar!

Spyker's latest is a 180mph beauty based on First World War fighter planes!

- The latest launch from prickly, eccentric car-maker Spyker is the total opposite of mass-produced. Its latest £100k B6 Venator is aimed squarely at people who find Porsches too predictable.
- Thankfully, the B6 Venator looks absolutely show-stopping. It claims to draw inspiration from historical aeroplanes because before going under in 1925, Spyker built First World War fighter planes. Even the name Venator (Latin for hunter) is a nod back to their Spyker Hunter fighters.
- **Let's start with the B6's finest asset – the interior.**

Or rather, cockpit. Keeping it aviator-obsessed, the Venator keeps the cabin airy thanks to glass roof panels. Look beyond and it comes decked out with its hallmark-exposed gearshift linkage (inspired by early aircraft controls from Spyker's aviation heritage) and machine-turned aluminium panel fascias.

- What becomes impressive is the dotty detailing of the B6. Within the machine-turned dash are not switches and gauges nicked out of existing cars, but hand-machined custom bezels and dial faces, with everything machined from solid billet aluminium.

And that's before you caress the supremely soft Litano Royal Hulshof Dutch Tanneries' finest leather.

- **An entry-level Porsche 911 may be as light at 1,400kg, but the Venator's chassis comes created out of aluminium, with an entirely carbon-fibre bodyshell on top. It's 74mm wider but 144mm shorter than the Porsche, with a 50mm-longer wheelbase.**
- We've got "3D LED" modern jet afterburner-inspired lights at the back, and wheels which are a mere 19in but mirror-polished and called "Turbofan", because they ape jet engine intakes.

- **Those long circular vents tunnel into each rear shoulder point to where the 375bhp V6 engine will live. It's not masses these days, but the B6 will be about as quick as a base model 911 (0 to 62mph in around 4.6 seconds, 180mph top speed), but that's academic when it has been machined and built with as much precision as this.**
- There aren't many cars we could say we'd buy purely for its gearshift linkage and intake vents. But this is a car for those who don't just say they want to be different. And who have around £100k budget for their motor.

"I can't see a thing out of these glasses"

Unlucky *Nuts* reader slices arm open removing windows!

HAMPSHIRE CONSERVATORY and window fitter

Scott Turner was taking out an upstairs window on a job while his mate was working at ground level, when the unthinkable happened.

"I'd taken the openers out of the window frame and was taking the glass out," Scott explains. "Then, two

of the glass units slipped out of my grip. I managed to grab one, but then saw that the other one was about to go. If it had fallen, it would probably have killed my mate below. I managed to grab the corner, but it swung 90 degrees and sliced through my arm!"

"Screaming, I called for my mate. As I showed him how bad the injury was, blood

sprayed all over the customer's bright white bed sheets!"

As work at the property was well under way and couldn't be left unattended, the customer had to drive Scott to hospital,

After getting the wound stitched up, Scott returned to work on light duties soon after. Scott says, "The arm doesn't look nice, and it's bloody ruined my tattoo!"

I love her pins!

I'm obsessed with my neighbour's legs. I've never been into legs before but these pins go on for miles! What sexual fantasies can I imagine that involve a lot of leg action?

ROB Liverpool

Fantasies? Just speak to her! Perhaps she needs a hand with something, so that would be an excuse to drop in. Soon you could be bending her over her kitchen table!

Will distance be a barrier?

A recent flame has just moved away to another town and I'm pretty sure her moving-in party will be the last night I sleep with her. Am I wrong to think that I won't have the time to keep up the long distance?

JAMES London

LETTER OF THE WEEK!

I'm not ready to commit!

I recently met a girl but, having only broken up with my ex in February, I'm keen not to get too serious. However, she's really fit and I'm worried she's going to drop off my radar. How can I keep her amused without committing?

TOM Essex

Not all girls need commitment but they do need spoiling. This doesn't mean giving her presents, but surprises. Keep the sexual chemistry alight - almost volcanic. Never stay too long or message her too often. Remember what turns her on and make sure you deliver.

Perhaps she could be a weekend sweetener. If your work demands your time over the weekend, it probably won't work. In which case, last-night sex should always be left on

a high. It's time for shower sex. This way, whatever time of the month it is or whichever place you enter, the room's going to be hot, steamy, wet, slippery, clean and sound-proof!

I've upset her!

I've been seeing a girl for about a month. She isn't on the pill so we've been using condoms. Unfortunately, the other night, the condom came off and she had to buy the morning-after pill. I suggested we had sex again that night and she could take the pill the next day, and now she's not talking to me! What have I done wrong? Help!

BRYAN Leicester

The morning-after pill should be taken seriously and very quickly, unless you're trying to produce babies. If you're charming you'll win her back - perhaps take her on a holiday to Spain to make up for it.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p64.

JOKE OF THE WEEK!

A work of genie-us

A GUY walks into a bar, sits down next to another guy and notices the bloke has a massive cigarette lighter. The first guy says, "Wow, that's a cool lighter! Where did you get it?"

The second guy replies, "I found a genie in a bottle and he granted me one wish."

The man says, "Great, can I try it?"

The other man says, "OK," hands the bottle to the first guy, who rubs it and the genie appears.

"You're granted one wish," says the genie.

The guy says, "I want a million bucks!"

"Done!" says the genie, and disappears.

Then the bar door swings open and thousands upon thousands of ducks start piling in.

"I can't believe this," says the guy. "I asked for a million bucks, not a million ducks!"

The second guy then says, "Do you really think I wished for a 12-inch Bic?"

A STUDENT walks into a classroom with no shirt, trousers, pants or socks. The teacher asks, "Where have you been?"

The youth says, "On top of Blueberry Hill."

Another student walks in with no shirt and the teacher says, "Where have you been?"

He says, "On top of Blueberry Hill."

Then a girl walks in and the teacher asks, "Where have you been? Oh, let me guess - on top of Blueberry Hill?"

"No, the girl replies. I am Blueberry Hill."

JAMES Birmingham

Mummy's boy

A MAN comes home from a nightshift, goes straight to bed and finds his wife under the sheets, so he makes love to her.

Afterwards he fancies a snack and goes to the kitchen. He's amazed because his wife's sitting there, reading a magazine.

"What are you doing here - we were just upstairs having sex!" the shocked husband says.

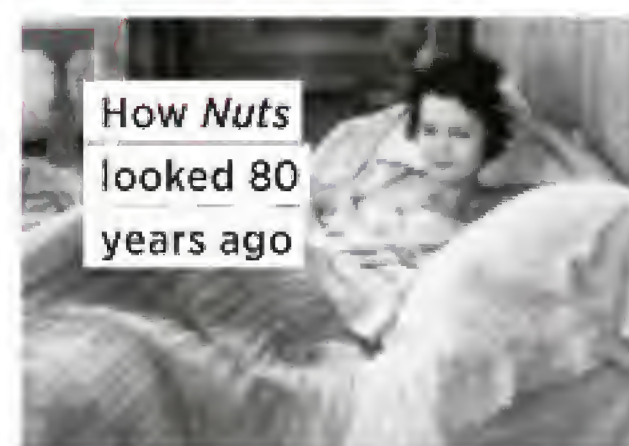

"Oh my God!" gasps his wife. "My mum was feeling

ill, so I told her to have a lie down in our bed!"

She runs upstairs and says, "Mother, why didn't you say something?"

Her mother snorts, "I haven't spoken to that idiot in ten years - I wasn't going to start now!"

Room for manoeuvre

A MAN was in ecstasy with a huge smile on his face as his wife moved forwards then backwards, forward and backwards again, back and forth, in and out.

He could see the sweat on her forehead and trickling down between her breasts, her heart pounding and face flushed.

Then she moaned, softly at first, then the groans grew louder. Finally, totally exhausted, she let out an almighty scream and shouted, "OK, OK! I admit it – I can't park the bloody car, you smug b*stard! You can do it!"

COLIN FARRELL!

The Irish legend on his gritty new hitman flick!

Hi Colin! You're playing a hitman in *Dead Man Down*. Is he as good as Ray from *In Bruges*?

Ha! Victor [Colin's character] is on the quest for revenge. His family were killed – his wife and his child. His real name's Lazlo Kerick. He's an immigrant from Hungary who came to New York – like many of my people from Ireland – to find a better life. To find work and experience liberty and freedom.

Something tells us that didn't go to plan for him...

Yeah, he experienced the destruction of everything he held precious in his world. The hands don't move any more and he's stuck in a quagmire of his own painful existence.

So it's not a cheery romp, then?

Ha-ha! I don't know that he ever has any plans to lead a happier, more peaceful life. I don't even think he has any plans to survive what he's planning. My guy's someone who's shut down every sense of vulnerability, or emotion, or heart, or hope, or love, or joy. No f**king desserts after dinner, you know? Nothing. It's just a sterile existence.

Sounds like a right laugh! So what attracted you to making this movie?

It's really cool and it sure has no right to feel as unique as it did when I first read the script, you know? But there's a fable aspect to it. It feels like it has a fairytale element to it. The script was really, really engaging. You get tired of saying it, as an actor, because it's what you're always hoping for. These characters have really complex back stories, and they each have something that's tearing them apart.

You seem to be in loads of films these days. Do you ever have a day off?

If you're fortunate and have the opportunity to work – which, surprisingly enough, I still do frequently – it's very easy. I think I had six months off before I did *Total Recall* – so that's about, what, f**k it, six months in a decade! Having said that, you do get spoiled and sh*t. It's not like being a coal miner. And the hotel rooms aren't

"I can't believe you're humming along to Bieber!"

COLIN FARRELL

It ain't tough in the grand scheme of things. But when you put yourself out there, and you're really criticised,

and kinda called sh*t, it's not nice! So, sure, you do take it personally. I work as hard as I can, I think my way through it a lot, and I feel my way through it a lot, and it means something to me. Even *Total Recall* – a big summer movie, cost a f**king fortune – even that. I couldn't have worked on that if I couldn't personalise it. Genuinely.

So you proper loved *Total Recall*?

I mean, I'm sure some people were up in arms about my casting. But I get it, man! I'm a fan of film. If I heard they were remaking *The Goonies*, well, I'd be softer on it now, because I've done *Fright Night* and *Total Recall*, but a few years ago I'd be like, "Uh, Hollywood's so boring. Can't they have an original idea?" And then I got offered *Total Recall*, and I thought, "This script is really good." I gave it to a couple of friends who I trust, and they were like, "F**k, man, it's really good!" I was hesitant. But I met the director, and he showed me the artistic renderings of the world he was creating, and I couldn't get my head around it. I was like an eight-year-old. In my head, I was thinking, "I can actually be in that frame with all that sh*t around me." Ha-ha!

Nice one, Colin! Thanks for the chat.

So you still feel like a kid at heart?

Yeah! I'm not 22 any more but I'm not ancient. I'm a kid in many ways. Everything is relative. **X**

● *Dead Man Down* is in cinemas now.

shabby. But it's tiring and you do miss people – all that kind of jazz. Back in the day, though, when I was doing *Ask The Dust*, *The New World*, *Alexander*, there would be, like 11 days between shoots. It was chaos.

What do you reckon when you take a moment to look back at your work?

As far as the industry goes, I've been in some films that have bombed, I've been in some films that have done decent money and been sh*t, I've been in some films that have done no money and been good. You never know, man. I align myself with stories that interest me, and why I'm interested in any particular story is an interesting thing to ask. It usually does relate to something that's silently whispering inside you, or an issue you have that's unresolved. But I love it more than I ever did.

When a critic has a pop at you, do you take it personally?

Sure! Oh my God. Well, *Alexander* nearly... well, I believe the fourth version's very good. Ha-ha! I'm serious! Oliver Stone did a fourth cut and I talked to people who blankly told me that the first one was terrible, the second one was sh*t, the third one was just moderately like a bird poo and the fourth one was a really good film. Ha-ha!

Wasn't it just Oliver Stone who got all the stick for that?

No, I got some pretty special reviews. Ha-ha! Unfortunately, I went to all four corners of the world to find every word I could that was written about it. I read it all. It was pretty tough, yeah. I mean, I say tough from a very sensitive, emotional place.

MAFIA SECRETS OF THE COSA NOSTRA!

Rituals, murder and
revenge... Inside the
world's most-feared
organised crime outfit

THEY'RE THE most feared Mafia group on earth, with a reputation for violent crime, bizarre customs and brutal vengeance. Italian journalist Attilio Bolzoni has spent years gaining the trust of Mafia insiders getting them to reveal the inside world of the Sicilian Cosa Nostra. This month his findings are revealed in *White Shotgun* – a new book about the inner workings of the Mafia. Here, Nuts discovers a few of the more explosive secrets...

INITIATIONS ARE EVEN MORE BIZARRE THAN THEIR ON-SCREEN PORTRAYALS

According to, long-standing Mafia member Leonardo Messina, the top-secret initiation ritual that makes you a full member of the Cosa Nostra is intense. "They [the 'pipino' or godfather] pricked my fingertip with a needle and handed me a holy picture of the Madonna of the Annunciation. They stained it with my blood, set fire to it and I passed it from one hand to the other. Then they whispered the words I was to say. They told me I was to repeat: 'As paper, I burn you. As a saint, I worship you. As this paper burns, so my flesh must burn if I one day betray the Cosa Nostra.'" After this, Leonardo was a man of honour. He explained that everyone hugged him and kissed him. He was now a fully fledged member.

IT TAKES THREE HOURS TO DISSOLVE A CORPSE

Former Cosa Nostra member Giovanni Brusca reveals, "We were used to keeping acid to hand, even if there was no

immediate need to use it. It takes 50 litres of acid to break down a body in about three hours. The body dissolves slowly, the victim's teeth are left, the skull becomes distorted. At that point, you take the remains and throw them somewhere... We Palermitans [people from Palermo, the capital of Sicily] didn't care because we were rough peasants, we did what was asked. As for you lot, lovely water you drink in Palermo..."

MAFIA PRISONS ARE RUN JUST LIKE HOTELS...

According to Mafia member Giuseppe Guttadauro: "Men of honour aren't scared of jail. It's never final for them. It's always temporary. Even if you're given life, sooner or later you'll have your freedom. But first you have to do time inside. And with dignity. The Mafia jail is the Ucciardone [in Palermo]. Number seven is the section for the men of honour. The cells are always open, the prison guards mingling with the inmates, and the exercise hour lasts a whole morning. The Mafiosi don't go to the canteen – prison food is 'government grub'. They never touch it. They book meals from the best restaurants in Palermo. At the Ucciardone, the Mafiosi are in charge of the prison warders, the doctors, sometimes even the governors. In return, they guarantee order... Never a protest. Never a complaint. It's a 'model prison'. These outstanding prisoners don't want to hear so much as the buzzing of a fly."

Giovanni Brusca is captured by the authorities

Police at the scene of another murder

What's left of two bodies are discovered in acid baths

ORGANISING HITS ON LAWMEN IS DONE WITH EASE

In the words of Mafia member Gaspare Mutolo: "Until a cop tells me, 'There's an arrest warrant for you,' it's all done quite calmly. It makes for a quiet life in a way, in return for some favours you've done. But as soon as I find out from a cop who's given me a tip-off, we organise a massacre... and that's why we Mafiosi are concerned that the guy who gave the tip-off might have known about a potential massacre. Until that happens, it's all idle chat. I'm not risking a life sentence. It doesn't matter if the cop knows it, but if I risk a life sentence, I'll kill that policeman 50 times."

"WHITE SHOTGUN" IS CODE FOR WHEN THE MAFIA DON'T WANT THE BODY TO SHOW UP

Mafia member Salvatore Contorno recalls, "White shotgun killings aren't easy. But sometimes they're useful. To slow down investigations into a murder. Or to throw the members of the other families off the trail. Where there's no body, there's no crime. Missing corpses tell no tales. With no cartridge cases on the ground, there's always a lingering doubt. White shotgun means grabbing someone and taking him somewhere, interrogating him, strangling him then throwing him to the pigs or dissolving him in a vat of acid. White shotgun accounts for a lot of things that happen in Palermo. With white shotgun, the traitor is always a friend or a close family member. Someone who provides a guarantee with his honour, his blood. Someone who is forced to sell the other to save himself. White shotgun is a crime of refined savagery."

● *White Shotgun* by Attilio Bolzoni is published by Pan Macmillan and is out now priced £12.99.

JASON BENT'S GUIDE TO MODERN FOOTBALLING!

LEE NELSON'S FANCY-FOOTED ALTER EGO TEACHES
NUTS HOW TO GET AHEAD IN THE BEAUTIFUL GAME!

CARS

Jason says: "An interest in cars is essential. The simple rule is: the more cars you own, the better you look as a footballer. Obviously never spend less than 200K per car, and the more outrageous the colour scheme the better. Plus the more cars you own, the less it matters when you crash one into a tree! Park wherever you like, whenever you like, including disabled bays and the pavement. If they tow you away, just use another car. Feel free to complain you don't get any privacy, then drive around Wigan in a £400,000 fluorescent orange Bentley!"

CLOTHES

Jason says: "Designer labels are compulsory. Look ridiculous but strut around like Casanova. Take David Beckham's sarong, Cristiano Ronaldo's hot pants and anything Djibril Cisse wears as good examples. If possible, get a sponsorship deal with someone who makes underpants. If your team has the nerve to force you into a suit, untuck your shirt and knot your tie the size of a grapefruit. Accessorise with headphones the size of satellite dishes to ensure you don't have to interact with anyone, eg your other team members, the press or supporters."

HOLIDAYS

Jason says: "Dubai is the perfect destination for a Premier League footballer. Six-star luxury and nothing to do. Shopping will keep you and the WAG happy, so why not buy a boat? Dubai's a great place for tax-free investment. I bought 40 villas, two towers and a small island, and still had enough loose change in my pocket to buy myself three more Ferraris from Duty Free on the way home."

He'd burnt the sausages again

BLING

Jason says: "The most frustrating thing about the Premier League is that you can't wear any jewellery during a game. Make up for this by wearing as much bling as you can squeeze on your body between games. Diamond earrings with rocks the size of satsumas that make it almost impossible to lift your head are ideal. Whatever the size of the rock on the last ring you bought your WAG to keep her happy when she last caught you cheating, make sure what you're wearing is at least double the size."

FOULS

Jason says: "Accusations that I'm a cheat are very upsetting. A referee's got to use some common sense, hasn't he? OK, yes, I did once spit in a defender's face – but, in my defence, it wasn't a greenie. Besides, it's difficult for me to comment on it, as I didn't see the incident. Should I be swearing at the referee in front of kids? If he's a f**king pr*ck, then yes. The Premier League is the most competitive league in the world. Occasionally things do spill over – and you end up stamping on the referee's head."

TATTOOS

Jason says: "You aren't going to get far in the Premier League without a tattoo coverage of at least 60 per cent. Meaningless scribbles that you can pass off as sh*t Chinese proverbs, Latin quotes or Hebrew wisdom, or tats of anyone who looks a bit like Jesus will do. Your kids' names are acceptable but never get the name of your current WAG or team inked, because you'll be getting them lasered off within the month."

HOUSE

Jason says: "Don't even think about spending less than £5million on your house. Must-haves are eight bedrooms, four bathrooms, a games room, a swimming pool, a cinema, a driveway for 14 cars and a museum dedicated to you."

WAGS

Jason says: "You'll definitely need one of these. The sexier the better, and blonde always helps. Make sure she's utterly talentless and completely reliant on you for money and attention. If she's nothing without you, she's less likely to dump you when you're shagging around with your team-mates' WAGs."

CONTRACT

Jason says: "Contracts are there to benefit you, not the club. If you're reaching the end, threaten to leave on a free and get handed a huge new contract with a loyalty bonus, or leave for free and get a whopping signing-on fee. If you're mid-way through your contract, agitate for a move by claiming the club are stalling over contract negotiations. If you've just signed a new contract, don't worry, contracts are meaningless. Just claim you can't read. If a new contract you're offered is for an insultingly small amount of money – less than 200k a week – do an Ashley Cole and crash your car on hearing the news." **X**

INDIA PRESENTS...

100 Topless Brunettes!

They have dark hair,
now see them bare!

TOPLESS BRUNETTES

“I’m really into Mila Kunis at the moment!”

Hello India! Who's your favourite *Nuts* brunette? Holly Peers. I love her!

Which brunette celeb gets you all hot and bothered?

Penélope Cruz. She's so hot. Or perhaps Liz Hurley.

Do you ever get a wee bit of boob envy on sexy shoots?

I think I have an unrealistic interpretation of what boobs should look like because all the ones I see are spectacular!

Indeed they are, but who has the best boobies in the world?

Sam Cooke. Hers are perfect.

If you could persuade any brunette celeb to go topless for a shoot, who would it be?

I'm really into Mila Kunis at the moment. I think she might have small boobs, but as we all know, size isn't everything.

Is it right that you had a massive night out with all the *Nuts* girls recently?

Yes, but I managed to fall over yet again and graze my knee.

So what did you learn from that experience, India?

That I should never challenge Holly to a drinking contest!

Can you give us guys some summer fashion tips?

I like bright colours, so wear something bright. And don't wear trainers around the pool.

Are you going to go on *Celebrity Big Brother*?

No, although I wouldn't mind. If I can cope with being cooped up with all those mental people, that is!

Which telly show would you most like to go on?

Hollyoaks, because they get to wear high heels every day.

Thanks, India! Finally, are you going to any festivals?

No, I'm not really a festival girl. I like going to gigs, but I like to go home afterwards.

INDIA REYNOLDS

Dark of hair and big of boob, it's pretty easy to see why India will always be one of the world's most breathtaking brunettes.

Turn the page for more brunettes!

2 HOLLY PEERS

No round-up of the sexiest brunette boobs would be complete without an appearance from Manchester's 32F finest. We love her!

3 DANNI BROOKS

Lucy Pinder described Danni as a "firecracker" when she did a sexy shoot with her. We can see a couple of crackers alright!

4 NADINE VELAZQUEZ

She's known for her role as Catalina in *My Name Is Earl*, but Nadine got her break in a McDonald's advert. We're lovin' this saucy snap.

5 JENNIFER LOPEZ

What else needs to be said about the Latino lovely? She seems to have been around forever, but we hope scenes like this will never stop.

6 AMBER ALLEN

21-year-old Amber is a trained ballet, hip-hop, street, jazz and pole dancer, and a beauty to boot. Some tremendous talents indeed.

7 SAM KELLETT

She's the brill brunette who puts the "chest" into her hometown of Chesterfield. Here's some visual evidence to support that claim.

8 MARIA FOWLER

From *The Only Way Is Essex* to the only way is topless – we were thrilled to see this rude holiday snap. You don't get this on ITV2!

9 JESSICA CHASTAIN

You saw pretty actress Jessica in *Zero Dark Thirty*, but it was this memorable scene in *Lawless* that left a lasting impression with us.

10 KEELEY HAZELL

If this scene from freaky flick *Cashback* were a more common sight around British supermarkets, it would give the high street a boost!

11 EMMA GLOVER

Brunette superstar Emma recently came an impressive third in our poll of the world's best boobs. Here they are again to say thanks.

12 LACEY BANGHARD

She blew us away with her brilliant boobs in *Nuts*, then she brought some mirth and mischief to the *Big Brother* house. Lacey's ace!

13 JESS IMPIAZZI

The *TOWIE* babe recently treated herself to some new boobs. This just proves we all like to show off ace new things when we get 'em.

14 ROSARIO DAWSON

American actress Rosario recently made headlines when she went nude for Danny Boyle's movie, *Trance*. She had us under, anyway.

15 STACEY POOLE

Things haven't quite been the same since we met Stacey in 2011. For starters, our jaws are still aching from when they hit the floor. ►

16 TAMMY TAYLOR Her name sounds a bit like the beer Timothy Taylor and, like a good ale, Tammy's full bodied and makes us go a bit light-headed.

17 ANNE HATHAWAY Amazing Anne is about to join the cast of *Cabaret* on Broadway, but we'll never forget her Catwoman suit. We wonder if she kept it.

18 NATALIE BLAIR That's a truly magnificent pair of cushions our Carlisle cutie has here... lovely off-white finish and some superb stitching. What?

19 BETH HUMPHREYS 19-year-old Beth is still pretty new to the pages of *Nuts*, but a firm favourite of you lot already. Boobs... bum... brunette... it's all going on!

20 AMELIA FOX This sexy lady is even more foxy than her name suggests. Although you won't find her having loud rumpy-pumpy in your garden.

21 GWENDOLINE TAYLOR You've got to love the *Spartacus* TV series: blood, guts, gore, and boobs. The boobs here are care of Kiwi beauty Gwendoline.

22 EMMA K Nottingham model Emma boasts 32E boobs. Thankfully, she also has a magic top that keeps blowing up, like this!

23 YASMINE JAMES Crikey! We know exactly what you're thinking about this snap. Yup... what awful curtains! Oh, what were you thinking?

24 MEGAN HALL We're sure you'll agree that lovely Leeds lass Megan looks lush in this pic. Brunette? Tick. Boobs? Tick. Blown away? Tick.

25 KELLY BROOK Now we know what was distracting boyfriend Danny Cipriani when he was hit by a bus recently - he must have had his mind on Kelly.

26 SARAH RANDALL She's yet another booby brunette who made a dent in our world's best boobs vote a couple of weeks ago. It's easy to see why.

27 SHANNON ELIZABETH There are loads of reasons to appreciate the *American Pie* franchise of flicks, but here are two in particular from the second outing.

28 ARABELLA DRUMMOND If you love long brown hair, shapely boobs, a gorgeous smile and plenty of tattoos, Arabella here is definitely the girl for you.

29 JOSIE MCKEEVER 32E Gloucester babe Josie has gone one better on our brunette rundown - she's got her beautiful bottom out too. Thanks, Josie!

30 COURTNE QUINLAN Curvy cutie Courtne appears to be settling the Marmite argument once and for all here - we hate it. It always gets in the way. ▶

31 KELLY HALL No rundown of brill booby brunettes is complete without lovely Kelly popping by (and popping out) to say hello. Hi Kelly!

32 CHRISTINA RICCI Sexy star Christina is set to voice Vexy the Smurf in the new *Smurfs* movie. We assume Vexy must be shorthand for "very sexy".

33 HAYLEY SAMS Here, Hayley shows us why we should have gone to Specsavers - we'd have caught a glimpse of her in the buff by the looks of it.

34 TERI HATCHER Seeing Teri here topless is a bit like that fantasy we all have about seeing our mate's mum in the buff by accident. Enjoy, chaps!

35 GRACIE FINLAN We couldn't help but feature 32G Gracie in our New Babes With Big Boobs feature earlier this year. The clue was in the title.

36 MELLISA CLARKE 2013 got off to a pretty great start for the Kent cutie - she won the Page 3 Idol comp. Here, she shows us how she did it.

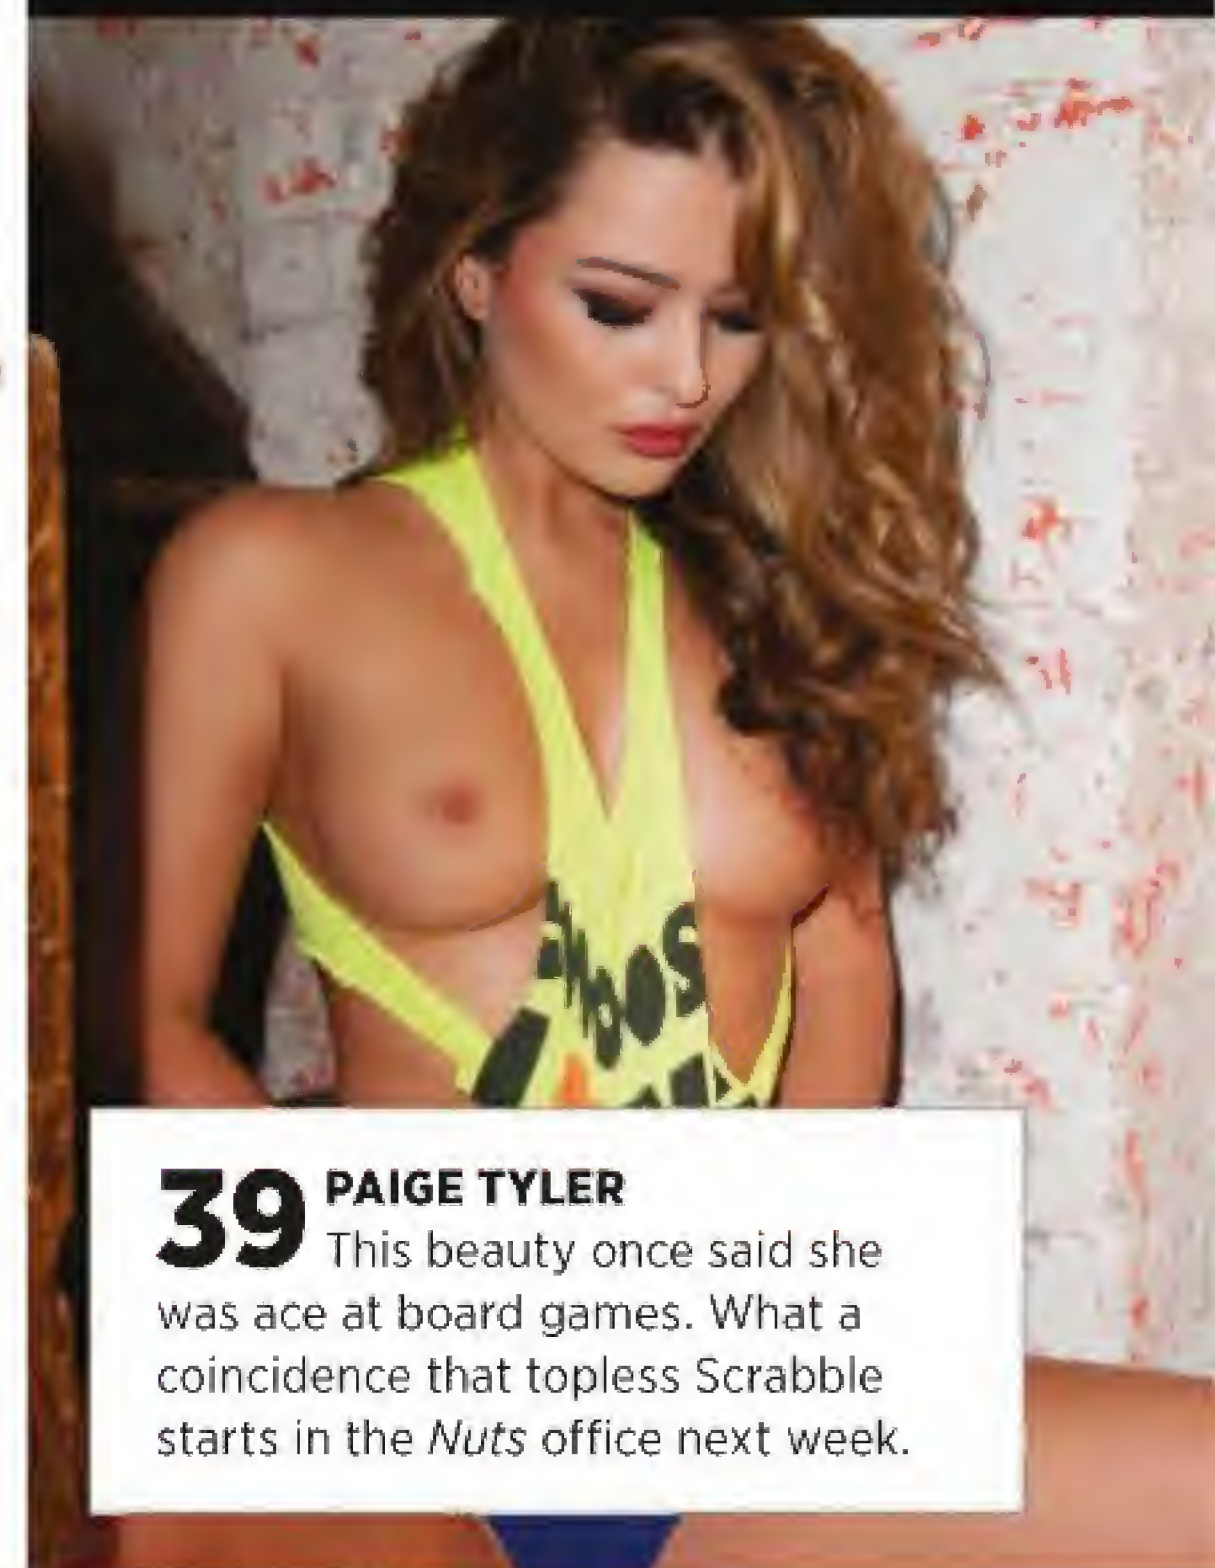

37 LUCY PINDER

We think we'd be in breach of the Trade Descriptions Act if we featured a best brunettes list without Lucy Pinder. So here... don't sue!

38 EVA GREEN

We haven't seen 2003 film *The Dreamers*, but maybe we should find it online for Eva's sexy bathroom scene here. "Who hid the towel?"

39 PAIGE TYLER

This beauty once said she was ace at board games. What a coincidence that topless Scrabble starts in the *Nuts* office next week.

40 ANYA COCO

This 20-year-old London beauty lists skinny-dipping among her hobbies. Well, it certainly beats the cinema and bowling.

41 LIZZY CAPLAN

The US actress bared all in raunchy vampire romp *True Blood* - it's a scene we'll never get bored of sinking our teeth into.

42 JOEY FISHER

Leading the charge for Cool Cymru is Welsh wonder-babe Joey here. We love her... you love her... the world loves her! ▶

TOPLESS BRUNETTES

43 PAZ DE LA HUERTA Here's the *Boardwalk Empire* boob-exposer, and recent *Playboy* cover girl, naked in a bath. Yes, gents, you're very welcome.

44 NATALIE TAYLOR Proof, if ever you needed it, that *Nuts* introduces the best new girls to the world. Often, they're breathtaking brunettes like Natalie.

45 IMOGEN THOMAS We all remember this Swansea stunner from *Big Brother* and from all that other silly fuss, but who could forget these 32E boobs?

46 SARAH MCDONALD We gave you a great treat at the start of this year with a bevy of booby new babes. Sexy Sarah here was one of them. Hi Sarah!

47 LOUISE BOND The name's Bond, Louise Bond. OK, so she might not be that sort of Bond girl, but she's definitely got us all shaken *and* stirred.

48 KIERA SWEENEY *Nuts* probably has enough sexy brunettes to start a small army. Here's one of our newer recruits, who looks very much "at ease".

49 ANNA FRIEL Anna says she became immune to boobs while filming *The Look Of Love*. We'd never be desensitised to these lovelies!

50 ASHA NORTHWAY Yorkshire lass Asha speaks fluent French and Greek. If ever there was an argument for closer ties with the EU, here it is!

51 EVIE MURPHEY

Sexy student Evie has only been modelling for a few months. It goes without saying that we hope to see plenty more of her in 2013.

52 KATIA MCDONALD

There's a lot going on in this picture, but all we can stay focused on are the sweet boobies of this strikingly sexy model.

53 NIKKI SANDERSON

From *Coronation Street* to a bathtub near you! Well, somewhere in the UK. This is the saucy scenario we all hoped would happen one day.

54 MERCEDES EDISON

Hands up if you like a brunette babe with ace boobs and sexy tattoos. One, two, three, four.... ah forget it, we'll be here all night.

55 DAISY LOWE

We're more used to seeing the 24-year-old modelling clothes, but here she is giving the threads a well-deserved day off.

56 SABINE JEMELJANOVA

Ask most *Nuts* babes who the cheekiest model is, and they'll point the finger at Sabine. Those innocent looks are fooling no one! ►

57 ROSIE JONES

A list like this without an appearance from lovely Rosie would be like a pub without beer and peanuts – utterly pointless!

58 KIRSTIE PATTERSON

Kirstie told *Nuts* she has a bit of a reputation for enjoying a party. Her boobs got so excited by that prospect, they fell out!

59 AUDRINA PATRIDGE

She plays a *Fifty Shades Of Grey* slave in *Scary Movie 5*, but it's her gorgeous shade of brown that gets her on this list.

60 TASMIN HORVATH

There appears to be some form of clothing malfunction affecting lovely Tasmin here. We're in no rush to help her out though.

61 DAISY WATTS

It hasn't escaped our attention that ace *Nuts* model Daisy is dressed as a lifeguard here. We're off straight in at the deep end!

62 JAIME MURRAY

The Essex-born actress has just had a very sexy threesome in *Spartacus* here, hence the cheeky grimace and cup of wine.

63 KATIE HOLMES 2000 movie *The Gift* was forgettable for most things, but memorable for Katie's topless scene. Now, that really was a gift!

64 ROBYN ALEXANDRA A little-known fact about the lovely Manchester lass is that she was once a professional skater. All that padding must come in handy.

65 LEANNE DIXON We were sad to see the demise of Dixons last year - although thankfully, it had nothing to do with this dark-haired hottie here.

66 ANN DENISE 24-year-old Ann hails from Manchester and somehow manages to squeeze her beautiful 30E boobs into a rather tiny frame. Magic!

67 NICKIE HEDGER Nickie here was once crowned Miss Blackpool - well her almighty assets certainly do illuminate the pages of *Nuts*.

68 LOUISE CLIFFE You don't have to be a total babe to be a *Big Brother* contestant but, as lovely Louise proved, it really does tend to help your cause.

69 TAMRIN MCGOWAN Wow! Imagine this sultry stunner waiting for you on your doorstep. Beats a pint of milk and a card from the Royal Mail, anyway.

70 SCARLET BOUVIER According to her Twitter feed, Scarlet's impulse is to "appear naked". You should always act on your impulses, we reckon.

71 GEENA MULLINS Dark-haired beauties don't come hotter than wondrous new-for-2013 18-year-old babe Geena here, we're sure you'll agree. ▶

72 MONICA BELLUCCI Model and actress Monica is quite possibly the best thing to come out of Italy since pizza. And we blooming well love pizza.

73 CHLOE GOODMAN A *Nuts* Next Top model, Chloe says she wants to do a shoot with lions and cheetahs. Big cats and even bigger boobs. We like it.

74 KATIE PRICE Whatever we wrote about Katie would probably be completely out of date by now, so here's a classic photo of her boobs instead!

75 MIRANDA KERR It's claimed the Aussie lass chants for 20 minutes every morning and night. She must have cracking lungs to match these boobs!

76 SHELLEY RAE You might say that stunning Sarah here is a dark-haired "Rae" of sunshine – but we reckon she's even more dazzling than that!

77 JENNA-LOUISE COLEMAN The *Doctor Who* sidekick bared all for this scene in BBC Four drama *Room At The Top*. Not much more room at the top, more like.

78 GEMMA ARTERTON Reviews of her movie *Hansel & Gretel: Witch Hunters* haven't been great, unlike 27-year-old Gemma's fantastic boobs, as you can see.

79 CHARLOTTE NELSON She's a big-boobed Bedroom Babe who's taken on our legendary Ten Rude Questions too. Now here she is to shock us again!

80 ALICE SEY If we have our "Sey" (geddit?) we'll be seeing a lot more of this sultry 22-year-old Yorkshire lass in the pages of *Nuts* this year.

81 SHANICE GRAHAM We're pleased as punch to be able to introduce this newbie model to you. You'll be seeing more of Shanice in the mag soon.

82 DANIELLE SHARP You lot recently voted 21-year-old Danielle's boobs as the fourth best in the world and, looking at this pic, it's not hard to see why!

83 EMMA FRAIN She's just like part of the furniture around these parts - although sadly, not all office furniture looks this incredible.

84 SELMA BLAIR Here's sexy Selma in a clip from *In Their Skin*. It may have been a horror film, but the pleasant shocks came from seeing her topless.

85 KYM GRAHAM Kym used to have part-time job in her mum's sandwich shop. The baps are legendary. We're talking about the tuna ones, of course.

86 FIONA SICILIANO This 30F fittie is half-Brazilian, half-Mancunian, so we reckon she could throw an ace party. So, our kind of girl then! ▶

87 THANDIE NEWTON
We always love it when a Hollywood hottie bares all - especially when it's someone you wouldn't expect to pop 'em out.

88 SOPHIE ALEXANDRA
Sophie's definitely one of the lightest brunettes on the list - but her boobs are so awesome that we're prepared to overlook that.

89 SEREN GIBSON
There must be something in the water in that there Wales - we're officially calling this welcome epidemic "Big boob-ageddon"!

90 LUCY HARROLD
Take Me Out girl Lucy recently claimed she was the show's raunchiest ever contestant, and who are we to disagree with her?

91 CHLOE SAXON
Petite 22-year-old Chloe is from America but lives in Sheffield. So, she has a dual passport to match her fantastic pair of 32D boobs.

92 CHARLOTTE SPRINGER
She's 23! She's from Essex! She has 32E boobs and lovely long brown hair! Hooray! Can we stop shouting now, please?

93 KAYLEIGH MALLEN
Stacey Poole's not the only Yorkshire hottie to have blown our minds recently - Hull lass Kayleigh has also left a big impression.

94 KRISTEN STEWART
The *Twilight* babe seems to have turned over a raunchy new leaf with this scene from last year's fruity flick *On The Road*. Cool!

95 GRACIE LEWIS 24-year-old Preston lovely Gracie first revealed her 32DD boobs as a Bedroom Babe in *Nuts*. Here they are again to say hello.

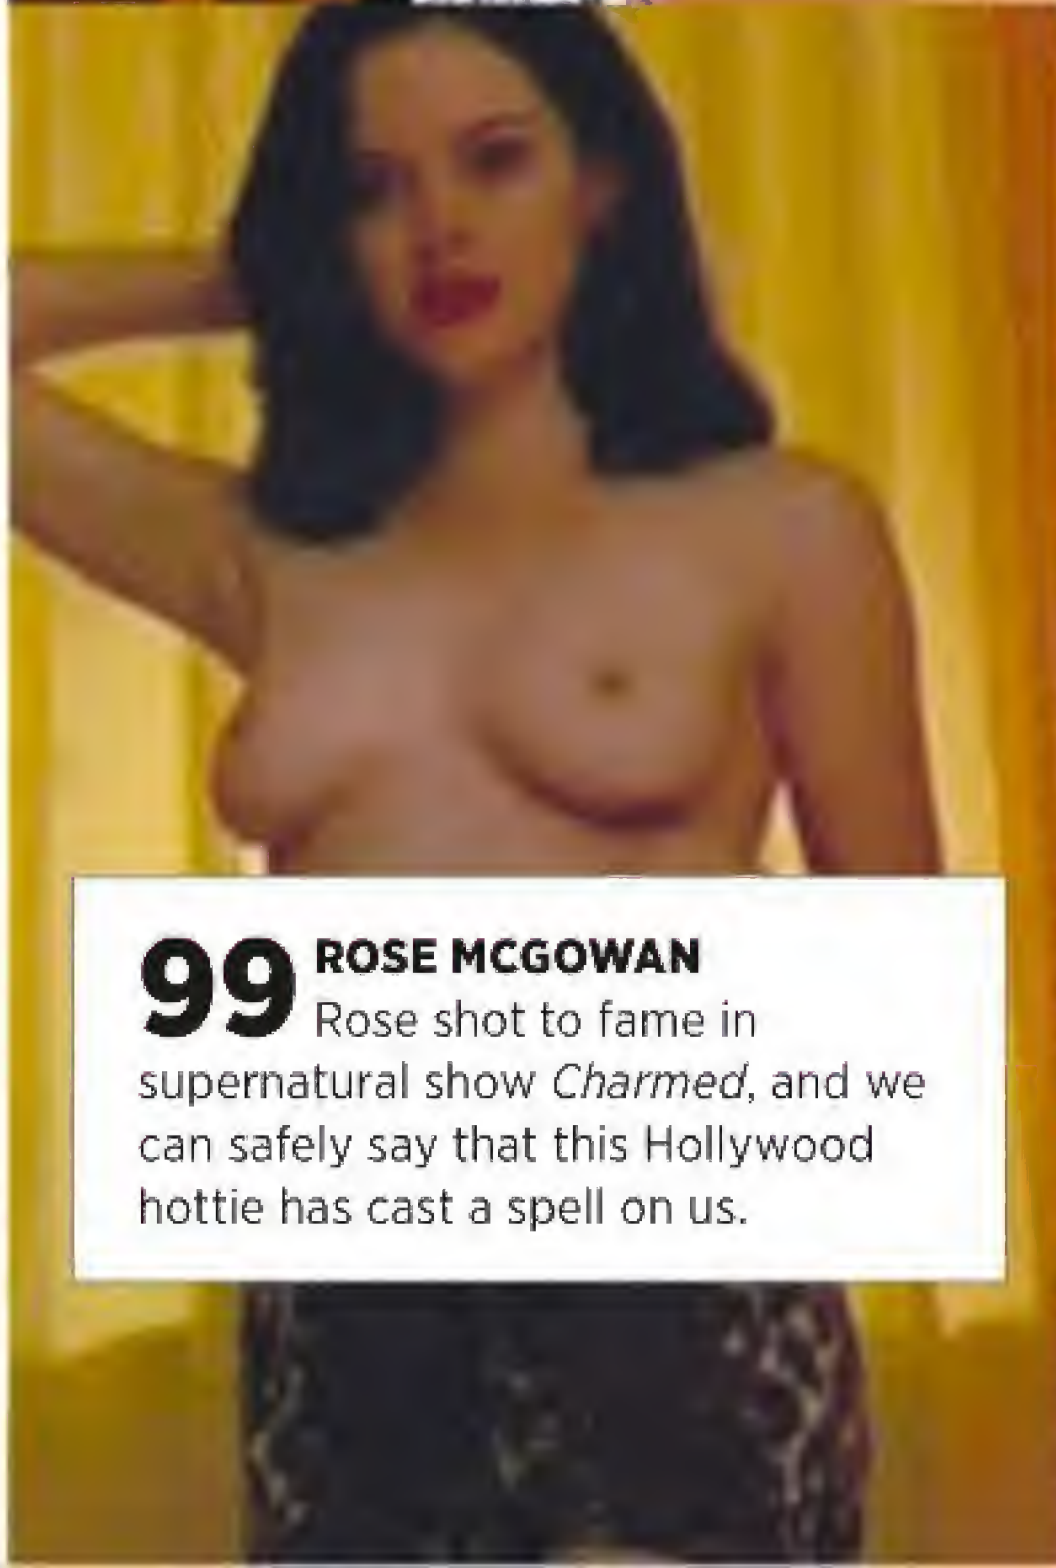

96 DANIELLE SHEEHAN We've seen some shots of Danielle in lingerie that have stopped us in our tracks - but these topless ones are just as powerful.

98 LAUREN WOOD Sometimes, you can't see the wood for the trees, but you'd need a forest of a thousand furs to miss a body like Lauren's.

97 CHANELLE HAYES The former *Big Brother* babe promised that her shoots in *Nuts* would get ruder and ruder. Here's a taste of what's to come. Gulp!

99 ROSE MCGOWAN Rose shot to fame in supernatural show *Charmed*, and we can safely say that this Hollywood hottie has cast a spell on us.

100 UNA HEALY You know when you thought, "I'd love to see a member of the Saturdays topless under a waterfall"? That day is here! **X**

Ben Earl: Trick Artist

CHANNEL 4/HD • 9pm

The Omen

E4 • 9pm

Lots of people wonder if their kids might have demonic qualities – "Little Tarquin, drawing on the walls again!" etc. But what if your offspring really did turn out to be the Antichrist? This spooky remake stars Liev Schreiber and Julia Stiles as the parents who start to realise their adopted son's not who he appears to be. Give him back!

Man City vs Wigan

ITV/HD & ESPN/HD • 3.15pm

It's the FA Cup final, and really, you can only see the Cup going to City – they're by far the stronger, richer, classier team (see our feature on page 68 for proof) and Wigan's minds will surely be on the rather more important matter of staying in the Prem.

Ricky Burns vs Jose Gonzalez

SKY SPORTS 1/HD • 8pm

Scottish slugger Ricky defends his WBO lightweight title against challenger Jose Gonzalez in his first fight since moving to Eddie Hearn's Matchroom stable. Having knocked out 17 of his last 22 opponents, the Puerto Rican challenger's no pushover!

BBC ONE/HD • 11.30pm

Steven Spielberg's sci-fi thriller envisages a future dystopia where crimes are prevented before they happen. Tom Cruise plays the head of a "pre-crime" unit who discovers that the latest prediction is fingering him as a future killer – so he goes on the run, with Colin Farrell's slimy government agent in hot pursuit. Visually stunning!

SKY SPORTS 1/HD • 1pm

With Spurs having their customary end-of-season wobble as they fight to get into next season's Champions League, this is one of the last fixtures they need. Stoke haven't been great themselves of late, but still, a visit to the Britannia needing a win? Good luck with that! Champs Man United take on Swansea in the 4pm kick-off.

★★★★★

The Inbetweeners Movie

CHANNEL 4 • 9pm

Whether you've seen the TV series or not, it's impossible not to enjoy this amiable movie spin-off, which sees the foursome heading out on a lads' holiday that is a) a complete disaster and b) probably very familiar to us all. And there's another one on the way!

★★★★★

CHANNEL 5/HD • 10pm

Gritty crime thrillers don't come more textbook than this! Maverick detective? Tick. Strait-laced sidekick? Tick. Mental murderer? Double tick! NEW SERIES!

The Fall

BBC TWO/HD • 9pm

This new police drama starring Gillian Anderson is a slow-burner, but it's intriguing, creepy and fascinating. Set in Belfast, we follow DSI Stella Gibson, sent from the Met Police to assist in a murder. Gibson thinks she's found a serial killer. Cut to family man Paul Spector – he seems normal enough, but at night he preys on women.

★★★★

Game Of Thrones

SKY ATLANTIC/HD • 9pm

After a few insanely entertaining episodes early on, *Thrones* is having a mid-series lull – which means not enough beheadings, battles or boobies for our liking. It's still ace, and we think that they may be setting a record for use of the word "bastard" this week. It really is an excellent starting point for a drinking game.

Europa League Final

ITV/HD • 7.15pm

★★★★★

The Apprentice

BBC ONE/HD • 9pm

It's ep three, but we know the drill. Lord Sugar sets a task with no basis in modern business, then sits back and sneers as the teams disintegrate into back-stabbing pandemonium. SKY SPORTS 1/HD • 10am

Daybreakers

CHANNEL 5/HD • 9pm

Vampire flicks are ten-a-penny, but this one, set in a future where vampires vastly outnumber humans, is pretty darn good. Dwindling blood supplies mean humans need to be farmed, but one vampire wants to help save the human race. The scene with the vampire that's been feasting on its own kind is truly memorable.

★★★★★

Being Human USA

WATCH/HD • 10pm

'Garden centre turned rude'

LAST WEEKEND, the weather turned really nice, so I went to my local garden centre. I was wandering through the vast greenhouses, when my eyes fell on a sexy guy with bulging biceps pushing a wheelbarrow. I knew him from the village and he gave me a grin, then disappeared. As I admired some pretty orchids, he appeared once again and asked if I needed a hand. Soon we were passionately kissing and had our hands all over each other. He finished me off on a table of tomato plants. It gave a new meaning to "planting his seed"!

'Holiday foam party fun'

MY FRIEND and I have just come back from island-hopping around Greece. On

one island, we went to a foam party. As soon as we arrived, we were soaked through and everyone's clothes went see-through. After a while, people were getting off and really grinding up against each

others' groins. My mate looked really sexy with her blonde, wet hair – I couldn't take my eyes off her. She saw me looking and we read each other's minds. We raced off to the toilets. As soon as the door was closed, she pushed me up against it and started kissing me. Sliding her hands all over my foamy body, she slipped them further down inside my bikini bottoms. I'd never been touched by a girl before, but it was amazing!

'Horny at work'

I'VE BEEN working as a waitress in a local pub and I've been getting it on with one of the chefs. As we were working the late shift together one night, I decided to tease him. I began by bending over in front of him and leaning towards him so he could see down my shirt. Then I "accidentally" spilled water over my shirt, so he could see my nipples through the clingy material. I could see he was turned-on so whispered to him to follow me. We went into the washing area at the back of the hotel, where he lifted me up onto the washing machine. He moved my black lace frenchies to one side and thrust hard into me. We were so horny that we didn't take very long. He's managed to get a key to one of the rooms for next time!

Lou Horndon-on-the-Hill

'We gave him a surprise'

I'VE BEEN seeing a new guy and we're both pretty adventurous. After swinging with friends, he wanted to try a threesome. I invited my dirtiest mate over and we waited for him in our skimpiest outfits. As soon as he came home, I ordered him to the bedroom to see his surprise. His jaw dropped as he saw my friend spread out on our bed. I pushed him onto the bed and took my clothes off as my friend kissed my man. Just watching her take him in her mouth was getting me wet. I made my boyfriend stop and push himself inside me from behind while I licked-out my friend. I could feel myself ready to come and I felt the shudder down my back. My friend pops around every month or so for a repeat performance!

10 RUDE QUESTIONS!

And a real girl to answer them!

Chelsie

24, Northampton

1 Where's the strangest place you've had sex?

"In the staff canteen! Everyone had gone home, so me and my fella took advantage of the empty building. Luckily, we didn't get caught. I dread to think what would have happened if we had been caught. It was a surreal experience, but exciting!"

2 What's your trademark move in the bedroom?

"It's not a move, but I like being loud and proud. It can be a bit embarrassing in the morning when my housemates are all smirking at me, and we all know why."

3 What really turns you on?

"I really love it when a guy bites my neck. It's a massive turn-on. I also love a guy who takes control and is dominant in the bedroom, or wherever we happen to be getting down to it. It's really sexy."

4 What's your favourite position?

"That's a tough one. My all-time favourite position has got to be me on top, because I think a guy definitely enjoys a girl being in control of the situation. It makes me feel sexy so I go for it even more. Plus, the view must be amazing from down there. Sixty-nine is also high on my list. That way we both get a special treat!"

5 Is it better to give or receive?

"I definitely like to receive. Not just because I love the feeling, but also because I think it shows just how interested the guy really is. If he wasn't into you, he wouldn't do that. Saying that, I love to make the person I'm with remember me, so sometimes giving's better."

6 What one thing would you really like to try but haven't yet?

"I'd really love to have sex on a plane. How much fun would that be? Especially if the plane took a sudden turn! It would have to be airborne, though. Doing it in a plane on a runway just wouldn't be the same."

7 Have you ever got it on with another girl?

"I have lots of girlfriends who I play around with sometimes, but none of them can compare to a guy. As much as I love my girls, it just wouldn't be the same as having a man with all the right parts."

8 What's your role-playing costume of choice?

"My sexy secretary outfit is my favourite for getting dressed up in. You should see the guy's face when I walk around in that outfit. Men absolutely love it! Plus, it makes me feel really naughty. The basic look consists of glasses, a really tight skirt, and cleavage like you wouldn't believe."

PHOTOS: TOM SERGEANT

10 What's the rudest thing you've ever done?

"I was at a party and a guy I'd been seeing was there. We had sex in front of everyone!"

9 Have you ever made a sex tape?

"No, but it would definitely spice things up. I just love being in front of the camera!"

The FA Cup final in numbers!

The big facts that show Wigan don't stand a chance... or do they?

➔ **THE FA Cup** final is imminent and Wigan vs Man City is very much going to be a David vs Goliath-style showdown, as these astonishing facts and figures make clear. Let Nuts shock and amaze you with a few simple stat comparisons...

● The FA Cup final, ESPN/HD and ITV/HD, 5.15pm on Saturday 11 May.

Wigan's entire 18-man squad for the Cup semi-final cost **£19.45m**. Eight current Man City players cost more than that on their own!

Over the last five seasons, Wigan have paid out **£47.1m** in disclosed transfer fees. City, on the other hand, have paid out a whopping **£537.4m**.

Wigan's record signing is **Charles N'Zogbia** (now at Villa), who cost £7m from Newcastle. An incredible 17 of Man City's 27-man first-team squad (including two players, **Wayne Bridge** and **Roque Santa Cruz**, who have been farmed out on loan) cost more than N'Zogbia.

Eleven of Wigan's 18-man squad cost the club just £1m or less. None of Man City's squad did. The only free-transfer player in Man City's entire first-team squad is current third-choice goalkeeper Richard Wright, himself a Premier League and FA Cup winner and full England international. Wigan's third choice keeper, **Mike Pollitt**, is 41.

The combined total cost of Wigan's starting 11 for their semi-final against Millwall was £14.45m. Not that impressive when you consider that there were five players on the Man City substitutes' bench – **Edin Dzeko**, **Kolo Toure**, **Aleksandar Kolarov**, **Javi Garcia** and **Joleon Lescott** – who cost more than Wigan's entire starting 11 put together. Combined cost of Man City's semi-final substitutes' bench: £106.3m. Combined cost of Wigan's semi-final substitutes' bench: £5m. Gulp!

City's semi-final **starting 11** between them have 12 Community Shield winners' medals, 12 Premier League titles, seven FA Cup wins, two Champions Leagues, two UEFA Super Cups, two FIFA World Club Cup titles, one League Cup and one Europa League title. The only British domestic honours in Wigan's 11 were for Shaun Maloney during his time at Celtic!

If you take **Shaun Maloney's** Celtic trophies out of the equation, the six titles or cups amassed by the rest of Wigan's semi-final 11 is seven fewer than those won by **Yaya Toure** to date, and eight fewer than **Carlos Tevez**.

As a player, **Roberto Mancini** won Serie A twice, the Italian Cup six times, the Italian Super Cup twice, the UEFA Cup Winners' Cup twice and the UEFA Super Cup once. Roberto Martinez won the Copa Del Rey once and the Football League Trophy twice.

The total cost of a programme, a **pie** and a pint at Wigan Athletic's DW Stadium is £8.50, the joint lowest in the Premier League, and £1.40 less than the same combination at the Etihad Stadium.

Martinez has won a Manager Of The Month award four times, compared to Mancini's two wins. However, he's only won it in the top flight once, in April 2012.

The £38m spent on City's 2012 Player Of The Year **Sergio Aguero** was 76 times more than Gary Caldwell, Wigan's winner.

The only position in which Wigan outspend City is the goalkeeper. **Ali Al-Habsi** cost the Latics £4m. Costel Pantilimon, who has been used in City's Cup run, cost £3m. Joe Hart cost £1.5m.

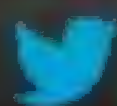

Man City have won the League title three times, the FA Cup five times, the League Cup twice, the Community Shield four times and the UEFA Cup Winners' Cup once. **Wigan** have never won a major trophy.

The *Nuts* verdict?

Go on, Wigan! We all know stats can be deceptive, so let's all get behind the underdogs. Unless you're a City fan, obviously!

The season according to Barton!

The 2012/13 campaign, as told by Joey on his Twitter feed!

Mourinho is being such a flirt!

And it's clear that it's Chelsea who are feeling the romance!

➔ **JOSE MOURINHO** for Chelsea boss? I'd say it's a done deal. It's one thing for a manager who has just been knocked out of the Champions League to say, "I gave it my best shot, but I might not be here for the next campaign," but Jose was blatantly saying he intends to go somewhere where he's more loved and appreciated – England. "I'm loved by one club especially"? Well, Man

United don't love him, Man City don't love him – but Chelsea do, for what he achieved first time round.

Some might say he's failed at Real – well, he's failed to win the Champions League, but you don't think about the records you haven't set when you want to get out of somewhere.

He even mentioned that there were a lot of people in Spain who hate him – that sounds pretty unequivocal.

If I were a betting man, I'd slap a tenner on him being at Stamford Bridge in the dug-out when next season kicks off, but after the things he said in his press conference last week, I doubt if you'd find anyone who's still taking bets on it!

City would probably take him, but it's Chelsea who have the interim manager in until a suitable replacement becomes available. I think Mourinho fits the bill.

"OK, it was me!
I made the smell!"

The Germans have proved me wrong!

I WAS expecting the Champions League final to be El Clásico, but as we know, Barcelona and Real Madrid gave themselves too much to do after disastrous away legs. You can't fail to be astonished by Bayern's home and away decimation of Barça, or impressed by Dortmund – they have great players and they're both going to invest in more.

Mario Götze, who's going from Dortmund to Bayern in the summer, is going to have conflicting feelings in the final! And what about Robert Lewandowski? Imagine being Sam Allardyce, who was all set to sign him for Blackburn when the player was marooned thanks to a volcanic ash cloud!

WIGAN WILL need Man City to under-perform if they're to win the FA Cup. NUTS MAN CHRIS!

Nuts SPORT

"Then just place it where you think the tail goes. You'll be blindfolded, of course..."

Darts lessons from The Power!

Nuts picks up some tips on arrow-chucking from the greatest darts player of all time!

➔ **Hi Phil! So what basic advice would you could give the novice darts player?**

First, make sure the board you are playing on is the right height and the oche is the right length. Most importantly, get the right set of darts. Find some that you feel comfortable using. I must have tried over 40 sets when I first started!

What's the secret of your extraordinary success?

Practice and dedication. These days, I don't practise as much as I used to, but I still do two-and-a-half hours a day.

Have you ever experienced "dartitis", that weird condition that means you can't release the dart at the right time?

Yes, when I was younger. Someone told me to overcome it, I should throw a house brick in the garden. And it worked!

What methods do you have of shutting out the crowd?

I don't have any! Some guys wear earplugs, but I feed off the crowd. They inspire me.

What techniques do you have for keeping up the pressure on your opponents?

You just have to keep scoring heavily when you get the chance. Keep turning the screw.

You've spoken at various points about considering retirement. What's your current situation?

I've just signed a new five-year deal with Barry Hearn. That will take me to 58. I want to give it everything in this five years, and be more professional than I've ever been before.

If it was suddenly decided that darts was to be included in the 2020 Olympics, would you be willing to stick it out until then?
Ha-ha! No, no, no. I don't want to be the oldest person ever to compete in the Olympics!

Do you ever stop to think about how remarkable it actually is to get a nine-dart finish?

Yes, all the time. The first one I did on telly was worth £100,000. So that one felt pretty incredible. That was the best one, for some reason!

Is the prospect of a nine-darter lurking in the back of your mind every time you start a set?

Not unless you hit a couple of 180s. Then the crowd gets on to you...

Which tournament means the most to you?

The World Championship is the one everybody wants. Of course, the league is the hardest, because it lasts for five months. To stay focused

and injury-free for that long takes some doing.

Who's best placed to be the next major force in darts?

Michael van Gerwen. He's an exciting player. You never know what he's going to do next, and he never knows when he's beaten! Off the pitch, he's a great lad.

What is it about the Midlands that produces so many good darts players?

There are a lot of dart leagues in that area, it's a popular sport. Plus, there's not much else to do!

Thanks, Phil. Finally, what did you think of Nuts Man's performance today?

Bloody awful! But the good thing about being awful is that you can only get better!

● Phil Taylor was representing Coral, the official betting partner of Premier League Darts.
